

CTEC Media Production Level 3

Essential Bridging Work

If you intend to enrol on this course you must complete the following bridging work ahead of your first lesson and bring it with you. It should take you about 4 hours to complete the work.

Topic	This work will give you an idea of the CTEC Media Production course and the coursework units you will complete.
Task	<p>Watch the following video: https://www.youtube.com/watch?v=fe2PqbUk0bU (Or search 'OCR camera shots' on youtube)</p> <ul style="list-style-type: none"> • Learn the different camera shots by making a short (3 min) video on your mobile phone demonstrating the different types of camera shots, with explanations of how and why they would be used. • If you can't film the work on your mobile, draw a basic storyboard layout and add the camera shots, make sure you explain each underneath the images. • This will be used on your return to college in September. <p>Ensure you include:</p> <ul style="list-style-type: none"> • Extreme Long Shot • Long Shot • Mid Shot • Two Shot • Over the Shoulder Shot • Close Up • Extreme Close Up •
Resources	<p>Online Research:</p> <p>Youtube</p> <p>Bridging work hand-out.</p>
Presentation	Video Files or a drawn storyboard, these will be added to your coursework blog in September and developed on.
