Art, Photography, Graphics & Textiles	Showcase of subjects	Art Block	

Peter Kennedy

Our new principal

Franklin College Governors are delighted to announce the appointment of Peter Kennedy as the college's next principal following the retirement of Trevor Wray. Peter is currently Deputy Principal at Huddersfield New College where he has played a significant part in achieving an 'Outstanding' judgement

from Ofsted. Peter will join Franklin at the end of February as Principal Designate, and take up his new post as Principal in April 2018.

Peter is very familiar with sixth form colleges having worked not only at Huddersfield New College, but also Longley Park Sixth Form College in Sheffield. Peter said of his appointment; "I thrive on working in a sixth form college - they are such special places, allowing young people to grow and develop. I know that Franklin is a remarkable sixth form college, with an excellent track record over the last quarter of a century in improving the life chances of its students and their families. Having met many of the students and staff already, and spent time within the college, I can't wait to get started.

"Franklin is a college that I have a great affinity for, and where I hope that my skills and experience can really make a difference. I know there is some exceptionally good work already in place and I am excited about working with the great staff at the college."

Applying is simple

This term you can make your applications for Franklin. You can do this online at our website (**www.franklin.ac.uk/make-an-application**) or if you are at a school in North East Lincolnshire, your school will support the process via Lincs2.

When we receive your application we will invite you in for an interview where we can look at all your options and decide the best study programme for you and plan for our Taster Days in the near future.

Don't worry about applying, we are here to help you all the way. If you have any queries, please get in touch.
