This is Hull 2024

On Wednesday 3rd July, all Year 1 students will be taken to the University of Hull for This is Hull.

This is Hull will give you the opportunity to experience what uni life is really like. With no timetables to follow, you can dip into taster sessions and see for yourself what it's like to be a student. There will be plenty of activities for you to try out, from subject sessions to hands-on workshops and live music – the campus will be yours to explore.

More information will be sent to you soon, but you can view [this video](#) in the mean time to see what the day has in store.

Work Experience

If you are looking for work experience, you can view our existing opportunities [here](#).

If you are interested in any of the opportunities, please email nicola.loyd-jones@franklin.ac.uk for further information on how to apply.

Personal and Professional Development

If you have questions regarding enrichment, whether you have an idea for a new session or you want to change your choice, please email enrichment@franklin.ac.uk.

The Enrichment team are now based in Room 51 (opposite the theatre) – please feel free to pop in if you have any questions!

Andy's Man Club T-Shirt Design Competition

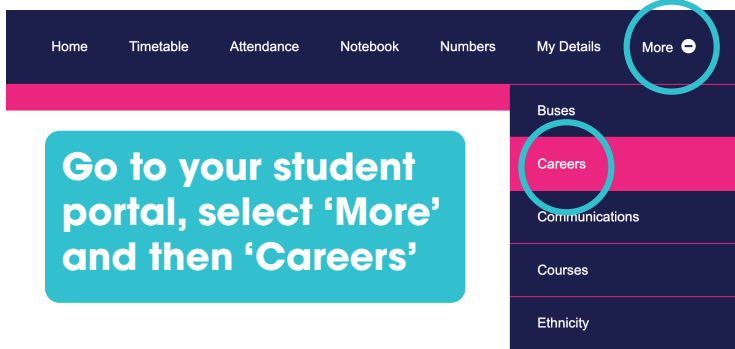

CALLING ALL CREATIVES!

It's your time to shine! AMC are excited to announce their first ever design a t-shirt competition! Submit your one of a kind design (for either the front or back of the t-shirt) by **April 28th** for the chance of it being worn by AMC supporters year long!

Whether it's a meaningful message, impactful visual, or something totally out of the box - you have total creative freedom! As long as it's AMC related, ANY colour and ANY design are welcome. The winning design will be voted by supporters like you.

Email your design as an attachment to tshirt@andysmanclub.co.uk to be entered!

The Unseen Universe (how your world, your health and maybe even your behaviour is shaped by microbes) with Gresham College

Microbes are everywhere; from the bottom of the ocean to the outer reaches of the atmosphere, they are all around us, on us and in us. We have known for hundreds of years that they can make us sick, but only very recently have we started to understand that microbial communities are also critical to our physical and even mental health. In this talk, you will go on a whistle-stop tour of the microbial universe, discovering remarkable microbial abilities that range from the astonishing to the terrifying, and ending by revealing how microbes may ultimately help tackle some of humanity's biggest challenges.

This will take place on Wednesday 8th May from 2pm – 3pm.
