

CAREERS & PROGRESSION NEWSLETTER

THIS ISSUE

29th April 2024

Hello all,

In this issue, 29th April 2024, we have lots of virtual and local work experience opportunities and plenty of useful apprenticeship information with AP Robinson & Co, North East Lincolnshire Council and NHS. We have lots of masterclasses available with Speakers for Schools, KPMG, Gresham College and TEDx. Finally, we have lots of university information with the Escape Studios, Edge Hill University, Springpod and more.

Be sure to complete the Google Form to be in with the chance of winning a £10 Amazon voucher!

Many thanks,

The Careers Team

Complete [this](#) short feedback survey to be in the draw!

This is Hull: Uni Life

On 3rd July 2024, Year 1 students will be taken to This is Hull - this is a compulsory part of your program.

The festival will showcase to you what university life can be like – and it won't cost you a penny. Lunch vouchers and a drink voucher will be provided for you while you explore the campus and all the sessions available for you.

More details will be communicated to you by the university once you register for the event, and the registration deadline has passed.

If you haven't already, please register your place [here](#).

Work Experience

If you are looking for work experience, you can view our existing opportunities [here](#).

If you are interested in any of the opportunities, please email nicola.lloyd-jones@franklin.ac.uk for further information on how to apply.

Personal and Professional Development

If you have questions regarding PPD, whether you have an idea for a new session or you want to change your choice, please email enrichment@franklin.ac.uk.

The Enrichment team are now based in Room 51 (opposite the theatre) – please feel free to pop in if you have any questions!

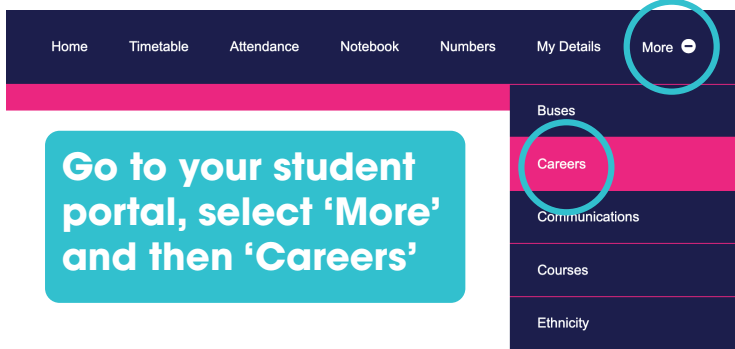

North East Lincolnshire Council Placements and Diana Princess of Wales Internships

Within this weeks newsletter, we have exciting opportunities with NELC and DPoW Hospital, all taking part during the summer.

The NELC internship offers experience in fields such as Legal, Culture and Tourism, Business Support and more. The DPoW Internship offers a 3-week long experience where you'll be helping staff support patients with personal care, making beds, recording observations and more.

You can find more information on both of these opportunities on the 'apprenticeships' page of this newsletter.

How to book a Careers Appointment

Go to your student portal, select 'More' and then 'Careers'

Careers Appointment

Careers Appointment Booking

Drop in advice sessions may be available - please contact College Services.

If you would like a careers appointment please complete all of the following fields:

What work history or work experience have you had?

Do you have any medical condition or other factor which may affect your career choice?

No Yes

If yes then please give details:

What are your interests / what do you do in your spare time?

Please tell me how I can help you.

Examples: I want to be an accountant; I am interested in doing a course in nursing.

Finally, what type of interview would you prefer?

Please Select

Fill in the information on the Careers Appointment Booking page

WORK

EXPERIENCE

Social Media Volunteering with Tape2Tape

Tape2Tape are looking for volunteer helpers to join their fabulous & fun social media team for the Orsted Great Grimsby 10k. This is a great opportunity for any student interested in marketing or social media to build up their portfolio. You could be running their social pages, taking photos or making TikToks! Join their team and help capture some memories for all the runners and spectators taking part in the event. This event will take place on Sunday 2nd June. If you are interested, please email tanya@tape2tape.co.uk.

Junior Project Manager role with Humber Recruitment

Humber Recruitment's client, based in Grimsby, have operated in the Construction sector providing controlled environment solutions to various blue chip customers in both Food Processing and Pharmaceuticals across the UK for over 35 years. You will develop the ability to organize and oversee construction procedures and ensure they are completed in a timely and efficient manner, must be well-versed in all construction methodologies and procedures and able to coordinate a team of different disciplines to achieve the best results.

The goal will be to ensure you develop into an experienced Project Manager with the ability to ensure that all projects are delivered on time, on quality, on cost, safely. This role would be perfect for any 2nd year Engineering student looking for their next step after Franklin.

Click [here](#) for more information or to apply.

Trainee Financial Adviser with F H Manning, Horncastle

As a growing business, F H Manning have a vacancy for a young, career minded individual to join them. Working alongside the managing director and the other 2 advisers, they can offer the candidate the opportunity to study for professional exams, whilst working within the business supporting the advisers, with a view to becoming an adviser themselves.

The right candidate should be willing to work towards professional exams as an extension of their existing learning, be competent in maths in particular and a keen interest in business and finance would be preferable.

Email clm@fhmanning.co.uk for more information.

LIVE Virtual NHS Healthcare Careers Work Experience Programme

Take your first steps towards a healthcare career with the UK's only LIVE Virtual Work Experience Programme created and delivered by healthcare professionals. You can select from one day or a full 6 month work experience programme where you will follow patients from admission to discharge in the high fidelity simulation suite, designed to provide you with an immersive experience from the comfort and safety of home.

The next programme starts on 5th May - click [here](#) for more information.

APPRENTICESHIPS

Trainee Accountant Opportunity with AP Robinson and Co

A P Robinson and Co are looking for an enthusiastic college leaver to join the firm as an apprentice and begin their exciting career as a chartered accountant. You will receive supported training to become a chartered accountant with one of the most advanced learning and professional development programmes available. You'll receive one to one support from a qualified, senior accountant who will help to train you and develop your skills - all whilst being paid!

To apply, please send a CV and cover letter to emma.brook@aprobison.biz

Diana Princess of Wales Hospital Internships

Are you passionate about healthcare and want to gain work experience in our local hospital? DPoW have 10 vacancies for 3-week long internships over the summer where you'll gain experience working in multiple wards throughout the hospital. As part of this work experience, you can expect to help staff support patients with personal care, making beds, recording observations, mealtimes, hand holding during clinical procedures and so much more.

The internship will run from 5th August 2024 - 23rd August 2024, and you must be free for this whole duration.

Please complete [this Google Form](#) to express interest - interviews are on Wednesday 5th June.

Software Engineer Degree Apprentice with Leonardo MW Ltd, Lincoln

As a Software Engineering Degree apprentice, you will spend the duration of your 3.5 year programme rotating through different projects to learn about Software Engineering, the engineering lifecycle and developing your practical engineering skills. You will be working with our experienced software engineers within our Integrated Project Teams to design and test new and existing products, using your new skills to solve problems, generate new ideas and support the development of the next generation of EW products.

What you will do in your working day:

- Grow your knowledge of an engineering business and what the role of a Software Engineer is by being part of their Integrated Project Teams.
- Develop practical skills in engineering and understanding key processes and technologies.
- Support early careers activities - their apprentices have the opportunity to work as STEM ambassadors in schools, colleges and universities.

The deadline to apply for this is 1st May 2024 - click [here](#) for more information.

MASTERCLASSES

Combatting Violence against Women with Essex Police's Assistant Chief Constable

Join this broadcast with Speakers for Schools and Essex Police for an important discussion on combating violence against women with Rachel Nolan, Assistant Chief Constable. This broadcast will also include important career insights for anyone wanting to go into the police.

Water Problems in the UK with Gresham College

The management of water supplies, flooding and water pollution in the UK is currently the subject of great controversy, and public interest has never been higher. Following a short introduction by Professor Carolyn Roberts, this focused day will include three debates in which experts will discuss contrasting views on the nature of a specific problem, and how it might be solved. The First Panel Discussion will explore water supply in the context of climate change; The Second Panel Discussion will question the threat and response to threat of flooding in the UK; The Third Panel Discussion will discuss water pollution responsibility in the UK.

This will take place on Wednesday 1st May, with different sessions taking panels taking place at different times. Click [here](#) for more information.

 - An optional tour of the campus delivered by one of their current students.

University Location: Making the Right Choice with Goldsmiths, City, Aberystwyth & UEA

The university you decide to study at will be your home for the next few years and perhaps even longer. Its location will have a bearing on every aspect of your university experience and what happens afterwards, shaping your studies, social life, hobbies, your health and wellbeing, financial security, and career prospects. It's an important decision that deserves some careful consideration.

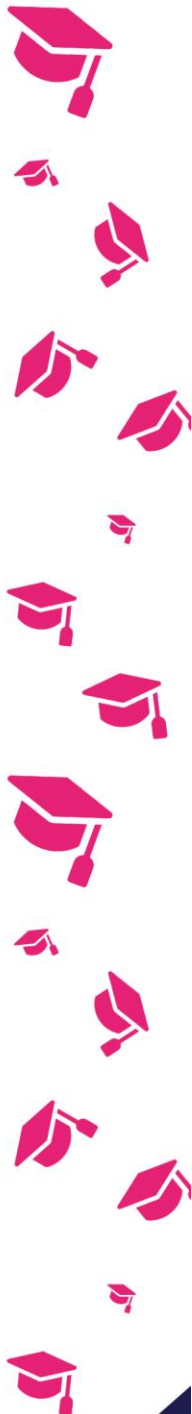

This session will feature several great universities, representing different types of location, to guide you and help inform your decision making.

This will take place on Thursday 2nd May from 4 – 4:50pm. Click [here](#) to register.

Subject Spotlights with Springpod

Want to try a university course before you apply? Subject Spotlights at Springpod are around 30 minutes in length and involve a short activity that you can get your teeth into. This is your chance to experience real-life lecture and seminar experiences in the subject(s) that you may be considering studying at university. You'll get to see expert academics at work as they deliver their subject specialisms with vast amounts of knowledge, enthusiasm, and expertise.

There are many subjects available – check the next page for information.
