WELCOME

Dear Students, Parents and Carers

Welcome to our Annual Careers and Progression Evening here at Franklin Sixth Form College! We are delighted to have you join us for this special event, where we aim to inspire and inform you about the many exciting careers and pathways available to you as you think about your next steps after college.

Tonight, you will have the opportunity to explore a wide range of diverse careers and hear from industry professionals about employment, apprenticeship and training opportunities, as well as universities for those students who wish to continue onto higher education. Many of the exhibitors at the event have travelled from across England; this really is the largest event of its kind in the area, and we are proud to host this event for our local students.

Our goal is to empower you with the knowledge and resources needed to make informed decisions about your future. We encourage you to engage with guest speakers, ask questions, and take full advantage of the information available. I hope you leave the evening feeling motivated, inspired and equipped to pursue your dreams and ambitions.

Thank you for attending and making the event another great success.

WHAT'S ON

This is your chance to talk to over 90 employers, apprenticeship providers and universities, all offering invaluable information, advice, and guidance on helping you achieve your future goals and aspirations.

Choose from over 20 engaging talks covering a range of exciting subjects, including university course-specific sessions such as routes into law and careers in sport, finance advice and revision strategies. Whether you're planning to progress onto university, start an apprenticeship or go straight into the world of work, these sessions are not to be missed!

You can find all the information you need for our talks in this booklet along with our informative map. If you're interested in Health and Social Care, don't forget to visit our Health Village in The Theatre.

Centre for Professional Development

Working with key local and regional employers and stakeholders, we have developed our nationally recognised Centre for Professional Development (CfPD), a unique way of bridging the gap between employer needs and the skills of local young people.

Our dedicated CfPD team works with employers, universities, and apprenticeship providers to give you the professional skills you need for a successful future after Franklin. From careers advice, personal and professional development opportunities, work experience and internships to mentoring, employer visits and guest speakers, we ensure that whatever path you choose, you are prepared for an incredible future ahead.

Idea:
Ice Cream Van.

Business Name: Goldie's Gelato

FOR MORE INFORMATION ON CfPD

Within CfPD sits our Franklin Professionals Programmes, which have strong local industry connections and are specifically designed to focus on your career pathways, areas of study, and aspirations. These programmes offer those interested in STEM, Health & Social Care, Business & Logistics, Law, Teaching, and Sport the opportunity to take part in a number of masterclasses, visits, careers events, and talks from industry professionals. For those interested in applying to medicine, veterinary science and dentistry, our Aspiring Future Medics programme offers dedicated workshops, guest speakers and mock interview sessions in preparation for the application process.

Whether you want to go on to university, undertake an apprenticeship or go straight into employment, the Franklin CfPD team will ensure you are fully prepared for the future and give you a head start in achieving your goals and aspirations.
