

CTEC Level 2 Health and Social Care

Part A - Bridging Work Task

This is a fantastic opportunity to expand your understanding of Health and Social Care as you prepare for enrolment and start at Franklin in September.

Please complete the work and bring a copy to your enrolment, either printed or electronically.

The work will take you around **2 hours** so plan your time to best suit you.

How do I complete and submit my task?	<p>Complete the tasks on paper/handwritten or digitally, and bring a copy, either paper or electronically, to your enrolment appointment. Also, bring this along to your first lesson in September.</p> <p>If you didn't attend the Taster Day, don't worry. It isn't essential for completing this work, but please ensure that you have completed this bridging work.</p>
Introduction to your Bridging Task	<p>This task will give you an introduction to some of the topics you can expect in September.</p>
Task details	<p>Task 1: Communication in Health and Social Care – Unit 1</p> <p>In Health and Social Care, service users and practitioners must build positive relationships and communicate with each other.</p> <ol style="list-style-type: none">1.
