

T Level Management and Administration

Part A - Bridging Work Task

This is a fantastic opportunity to expand your understanding of Management and Administration as you prepare for enrolment and start at Franklin in September.

Please complete the work and bring a copy to your enrolment, either printed or electronically.

The work will take you around **2 hours** so plan your time to best suit you.

How do I complete and submit my task?	<p>Complete the tasks on paper/handwritten or digitally, and bring a copy, either paper or electronically, to your enrolment appointment. Also, bring this along to your first lesson in September.</p> <p>If you didn't attend the Taster Day, don't worry. It isn't essential for completing this work, but please ensure that you have completed this bridging work.</p>
Introduction to your Bridging Task	<p>In preparation for T level Management and Administration at Franklin College the following task will introduce you to the importance of emotional intelligence.</p> <p>A substantial part of your course will be studying for your occupational specialism: Team Leadership and Management. You will develop knowledge of effective leadership when leading teams and individuals, organisational strategy, vision and values, planning and implementing change, project management and skills in developing and maintaining a high- performing team. Within this, you will study theories of emotional intelligence.</p>
Task details	<p>Imagine you are working in an organisation as a team leader. You are due to deliver a training session on emotional intelligence to your team of assistant managers. There are six people in your team.</p> <p>The training session you are due to deliver should last no more than 15 minutes.</p> <p>Research games and activities which support the learning and understanding of emotional intelligence.</p>

	<p>Design a 30 minute interactive training session which could be delivered to the colleagues in your team.</p>
