

CAREERS & PROGRESSION EVENING

2026

WELCOME

Dear Students, Parents and Carers

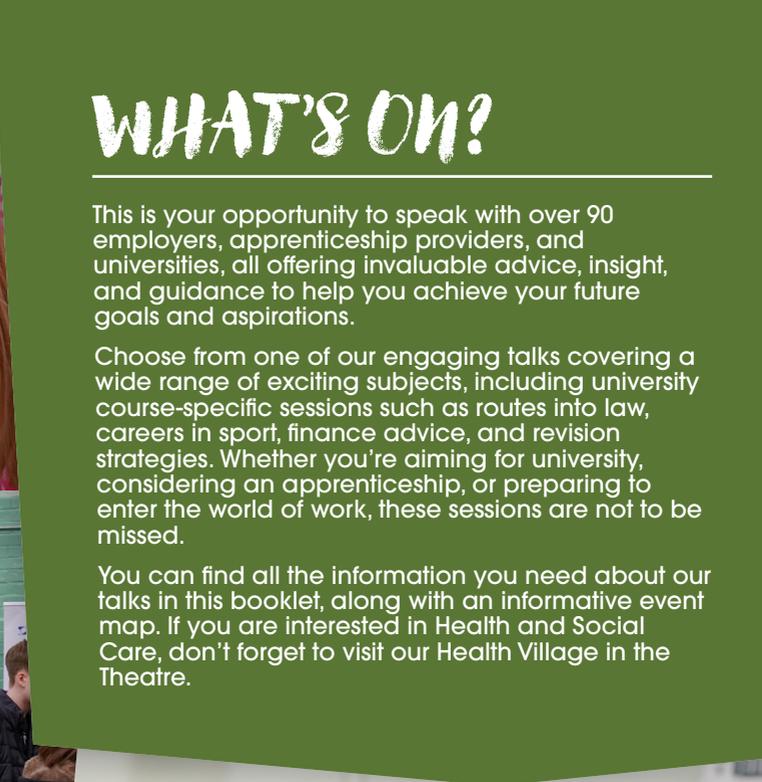

Welcome to our Annual Careers and Progression Evening here at Franklin Sixth Form College. We are delighted to have so many of you join us for this special event, designed to inspire, inform and support you as you consider the many exciting careers and pathways available to you as you think about your next steps beyond college.

This evening offers you the opportunity to explore a wide range of diverse careers and hear from industry professionals about employment, apprenticeship and training opportunities, as well as connecting with universities for those who wish to continue onto higher education. Many of our exhibitors at the event have travelled from across England to be here; this truly is the largest event of its kind in the area, and we are proud to host it for our students and community.

Our aim is to empower you with the knowledge, confidence and resources needed to make informed decisions about your future. We encourage you to make the most of this evening: engage with employers, attend talks, ask questions, and take full advantage of the information available. I hope you leave feeling motivated, inspired and excited to pursue your future dreams and ambitions.

Thank you for joining us and for helping make this event another great success

WENDY ELLIS, PRINCIPAL & CEO

WHAT'S ON?

This is your opportunity to speak with over 90 employers, apprenticeship providers, and universities, all offering invaluable advice, insight, and guidance to help you achieve your future goals and aspirations.

Choose from one of our engaging talks covering a wide range of exciting subjects, including university course-specific sessions such as routes into law, careers in sport, finance advice, and revision strategies. Whether you're aiming for university, considering an apprenticeship, or preparing to enter the world of work, these sessions are not to be missed.

You can find all the information you need about our talks in this booklet, along with an informative event map. If you are interested in Health and Social Care, don't forget to visit our Health Village in the Theatre.

OUR NEW BUILD

MAIN ENTRANCE

Centre for Professional Development

Working with key local and regional employers and stakeholders, we have developed our nationally recognised Centre for Professional Development (CfPD), a unique way of bridging the gap between employer needs and the skills of local young people.

Our dedicated CfPD team works with employers, universities, and apprenticeship providers to give you the professional skills, knowledge and experiences you need. From careers advice, personal and professional development opportunities, work experience and internships to mentoring, employer visits and guest speakers, we ensure that, whatever path you choose, you are fully prepared for an exciting and successful future after Franklin.

FOR MORE
INFORMATION
ON CfPD

Within CfPD sits our Franklin Professionals Programmes, which have strong local industry connections and are specially designed to focus on your career pathways, areas of study, and aspirations. These programmes offer those interested in STEM, Health & Social Care, Business & Logistics, Law, Teaching, and Sport the opportunity to take part in a number of masterclasses, visits, careers events, and talks from industry professionals. For those interested in applying to medicine, veterinary science and dentistry, our Aspiring Future Medics programme offers dedicated workshops, guest speakers and mock interview sessions in preparation for the application process.

Whether you want to go on to university, undertake an apprenticeship or go straight into employment, the Franklin CfPD team will ensure you are fully prepared for the future and give you a head start in achieving your future goals and aspirations.
